

## VIRTUAL CONVENTION 2020 NOMINATION

In the interest of time, my nomination speech is as follows.

I, Kim Washburn, have been your State Secretary for one term. It has been an interesting position. It feels like I'm at the center of our Washington State Council though behind the scenes. I'm not the visible Grand Poobah, but it seems everything at one point or another comes through the State Secretary at some time. Our PSD Karl Hadley told me it would be like this, and he was right. It's a good feeling and makes me feel better for things to come.

I nominate myself for another year as your State Secretary to continue the work and changes we have been faced with during the COVID 19 pandemic. While being forced to change, some of those changes will probably be permanent after the threat of sickness is behind us. Being forced to hold this Virtual Meeting might bring about other Virtual meetings on a lesser level. Just a thought.

Thank you for considering me for another term.

Fraternally,  
Kim Washburn  
State Secretary
