

State Treasurer Caucus/Nomination
Gregory S. Mahoney, State Treasurer
Washington State Council
May 17, 2020

I, Greg Mahoney, am a member of Fr. McGirl Council 7907, at St. Joseph Catholic Church in Issaquah. I hereby declare my intent to throw my wallet again into the race for State Treasurer and hereby nominate myself for the position of State Treasurer for Fraternal Year 20/21.

Over the course of this turbulent year, as your State Treasurer, I have enjoyed working with my task master, State Secretary Kim Washburn. Every time I get ahead of things, Kim throws me more checks and vouchers to process making me start all over. Better yet is when I find out Kim didn't send me a voucher (just to keep me on my toes), after I spent hours trying to figure out why my books didn't balance. Thanks Kim, you're the best!

On a more serious note, I must say working more closely with Kim on all the finances has been a blessing and much fun. So much fun that I would like to serve another year as Treasurer.

Brothers, it has been an honor to have had the opportunity to continue serving you over the past year – even through a global pandemic that keeps all of us at a distance. I pray that we all remain healthy and that God grants us the wisdom, strength and courage to grow closer to Him and our neighbor as we look toward a new fraternal year of service in ways that will continue changing our world for the better.

I humbly ask for your support by allowing me to continue as your State Treasurer for Fraternal Year 2020/2021.

Vivat Jesus!

Fraternally,
Greg Mahoney
