## Washington State Council

April 30, 2022

My name is Greg Mahoney, State Secretary, and a State Delegate.

I wish to place myself into nomination for the role of Supreme Convention Delegate.

I am an insurance member and a member of Fr. McGirl Council 7907, Issaquah.

I have served as a State Officer for seven years. As the current State Secretary, I feel it is my responsibility to attend the Supreme Convention in support of this great jurisdiction and in preparation for a second term as State Secretary should the state delegates decide to reelect me at the WSC 119<sup>th</sup> Convention. I have been fortunate to attend one Supreme Convention in the past.

I have been an active member in leadership roles since moving to Washington State in 2010, and I am open and ready to continue serving you my brother knights.

Thank you for considering my nomination to represent you as a Supreme Convention delegate in 2022.
