Subject: Giving Tuesday

Brothers-

This Tuesday, November 28, is the occasion of Giving Tuesday, a global day of generosity when people donate to causes close to their hearts. An option this year to make a difference is to become a Seminary Guild Member with Bishop White Seminary and Cor Christi this Giving Tuesday.
Seminary Guild Members:

- Commit to praying for the seminary
- Support the seminary with a monthly donation

We need 250 people to become new monthly donors to help the Seminary continue to form seminarians after Christ's own heart and one day, Lord willing, be the priests in parishes throughout the western U.S. Fr. Barnett, the rector of Bishop White Seminary and Cor Christi, understands the importance of monthly donations. He regularly says, ***"Your monthly donation will provide the seminary with a stable and predictable source of income that allows us to plan our seminary program with more confidence."*** As a monthly donor to Bishop White and Cor Christi, you will help shape the future of the Church.

Would you consider becoming a monthly donor and aiding Bishop White Seminary in this important task this Giving Tuesday? To sign up now, please visit <http://www.bishopwhitesem.org/join-the-seminary-guild/>

Vivat Jesus!
